

REQUIREMENTS FOR REGULAR OR NON-TRADITIONAL TRANSPORTATION SERVICES

All students requiring transportation for the 2017-2018 school year will automatically be assigned a General Education bus after the summer data “rollover.”

NON-TRADITIONAL TRANSPORTATION SERVICES

- All non-traditional service request forms must be completed yearly and will require a student ID number to ensure eligible students are registered per State requirements.

Non-Traditional routes are as follows:

- Bilingual/ ESL / Dual Language / Pre-K Services.
 - Alternate Site Services (Eligible student transported to other than home address).
 - JECA (Judson Early College Academy) Services.
 - Teen Parenting Services (approved through Parenting Program).
 - JACE/JSAS (Judson Alternative)
- Currently enrolled students requiring non-traditional services for the 2017-2018 school year should fill out and turn in the appropriate form by **August 16, 2017** in order to ride the first day of school (see attached forms).
 - New summer enrollees requiring non-traditional services or students changing personal information (address, contact information, etc.) should fill out and turn in the appropriate form by **August 16, 2017** in order to ride the first day school. Please allow **3-5 business days** for processing. Any forms received after the deadline of **August 16, 2017** will be processed in the order received and may take an **additional 10 business days to process.**

REGULAR TRANSPORTATION SERVICES

- General Education bus services information can be found on the Judson web site. On the home page, look under *Parents* then click *Bus Routes and Stops*. For the 2015-2016 school year, bus services will be posted by **August 16, 2017** (NOTE: routes are subject to change).
- Students enrolled after August 23, 2017 should obtain a Judson ISD Transportation – Bus Rider Permit at the time of enrollment. The student can hand the permit to the bus driver on their first bus ride.
